Accessing Care

Have health-related questions before you travel internationally?

Complete a [Pre-Departure Questionnaire](#) using your Group Access Code and speak with a clinician who can answer your questions.

Need to speak to a doctor?

We've teamed up with Teladoc Health to bring you Global TeleMD™, a telemedicine smartphone app at no additional cost, that provides unlimited, 24/7/365 access to doctor consultations by telephone or video. Doctors are available worldwide. [Click here](#) to learn more.

What do I do in the event of a medical emergency?

Go immediately to the nearest physician or hospital and then contact us. Once you are safe, you can reach us 24/7/365 for assistance. Collect calls are accepted: **+1-215-798-3714**.

How can I find a provider if I do not want to use telemedicine?

Search for participating healthcare professionals or facilities via the provider directory on the Member Hub at www.geo-blue.com or through the GeoBlue mobile app. You can view physician profiles and contact them directly to schedule an appointment.

After you make your appointment, contact us to provide the doctor's office with the information required to arrange Direct Pay. This is necessary when scheduling follow-up appointments as well. While it's often easier to set up your own appointments, we can help when you are unsure about where to seek care.

Are prescription medications covered?

Benefits are limited to emergency prescriptions that are medically necessary. You may be required to pay for any prescription medications up front and submit a claim for reimbursement.*

How do I request Direct Pay?

We suggest requesting Direct Pay at least 48 hours in advance of your appointment.

- Use the GeoBlue app to search for a provider, view their profile and complete a request form
- Visit the Member Hub on www.geo-blue.com
- Call GeoBlue at +1-215-798-3714 (collect calls accepted) for immediate service
